

## Why become a member of Ross CDT?

Ross-on-Wye Community Development Trust wants to support the community to make Ross-on-Wye an even better, friendlier and more resilient place to live. Individuals and groups can demonstrate their support for these aims by becoming members.

We have three categories of membership:

- **Individual** for people who want to support our work, keep in touch, and maybe also get involved as volunteers or by voting at our AGM
- **Associate group membership** for smaller groups who want free access to our basic services
- **Full group membership** for groups who want to use the full range of our services
