ISSUE 24

Rossbeerfest is building on its success when it returns for 2026! This well-known Beer and Cider Festival will be held alongside the River Wye on the weekend of the early Spring Bank Holiday.

## Ross Beer and Cider Festival 2026

Showcasing locally produced beers and ciders, the event is being organised as a Charity Fund Raiser by Ross Lions and Ross Rotary Clubs. Open on **Saturday 2nd May 12 noon to 11pm and Sunday 3rd May 12 noon to 10pm**, entry is £10 per adult to include a free glass and festival guide. Supervised children admitted during daylight hours £5 each.

Also planned is a full programme of music with live bands and food supplied by the Ross Rowing Club in our large, heated, undercover 'beerhall' marquee. Full details, maps and updates are found on the website: [www.rossbeerfest.org](http://www.rossbeerfest.org) where tickets can also be purchased. See also our Facebook page.

### Be a Ross Beerfest 2026 Volunteer

**We need your help!** Ross Beerfest are looking for volunteers to help with the bar, general stewarding, and admin roles. Help is also needed for set-up days and clearing afterwards. ### Ross Nature Recovery Group

The aim of this group is to make Ross a greener, healthier place, not just for residents but for the birds, insects, mammals and plants. To succeed we need your suggestions, help, knowledge and experience. So as a start, do you know of anywhere near where you live that would be improved by trees, wild flowers etc? Do you know anyone who might have a tree in a tub that needs a new home (the tree that is!)? **If so, let Rob Taylor know:**

## The Friends of Ross Library

This group exists to ensure that our Library remains a vibrant hub for the local community. In the face of upcoming HCC 2026 budget constraints, we are never more relevant to the continued success of the Library. We hold interesting events for members and fundraise towards the 'extras' that Council funding does not cover, e.g. coffee machine, children's activities, etc. We need enthusiastic, committed volunteers to run events and to sit on the Committee. We especially need a Treasurer. This involves simple record keeping, bank reconciliation and annual profit & loss accounts.

Help is available and we handle fewer than a 100 transactions annually. **If you'd like to get involved please email at: [forl.enquiry@gmail.com](mailto:forl.enquiry@gmail.com)**  
**Website: [www.forl.info](http://www.forl.info)**

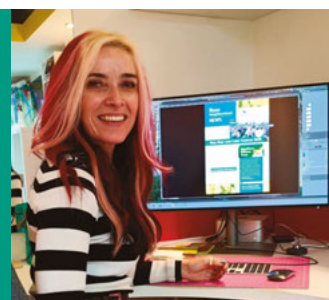

Ross-on-Wye Civic Society has an exciting and diverse programme of monthly events during 2026. From September to April, we meet at 7:30 at the Larruperz Centre on the second Wednesday of the month, and in the summer, we have visits. In February, there is a talk on the Rotherwas Canary Girls, which will be followed in May by a visit to the former factory site. Other talk subjects include the science of analysing tree rings to

date woodwork and provide information about the past (March); farming high value asparagus and wines (April); commons and public rights of way (September); and railways of Herefordshire and the South Marches (October). The Society will also be visiting the Mordiford Dragon Trail and following the Ross-on-Wye Willow Walk. See <https://rosscivic.org.uk/> for more information.

## Ross Designer

We have been so fortunate to have the amazing Isobel Sampson as our volunteer newsletter designer over the last year. Izzy has been in business in Ross for 20 years and wanted to give something back to the community, we can't thank her enough for the vision and creativity she has brought. Thank you Izzy and if you have any design and marketing needs please see her website [www.iscreative.co.uk](http://www.iscreative.co.uk)

## Severn Freewheelers Emergency Voluntary Services (EVS)

Founded in 2007, Severn Freewheelers is a charity organisation, made up entirely from VOLUNTEERS, providing a professional, efficient service to our community, at no cost to the local NHS Trusts that we support - which releases their money for patient care. More commonly known as your local Blood Bikes, we transport by motorcycle or car urgently needed items such as blood, medicines, samples and breast milk across Herefordshire, plus Worcestershire, Gloucestershire, and North Wiltshire. We are funded entirely by generous donations from the public and corporates.

**We hope you can help us make a difference today: ONE DAY YOU MAY NEED US**

The band have enjoyed a busy December with our annual concert at the beginning of the month and then a series of sessions bringing music to the streets of Ross.

We'd like to thank everyone for their generous donations and kind comments - it's always our pleasure to bring that Christmas feeling to you all. As the band receives no funding, your donations are important and allow us bring music to the community and offer musicians the opportunity to play with either the

The Friends have had a successful 2025!

We have purchased blue plates for dementia patients and dementia clocks, along with headphones for the TVs, posturing chairs, specialised patient chairs, round dining tables and chairs (so patients can eat together), newspapers, a fridge for the staff kitchen and Christmas stockings, with help from Morrisons.

We have installed a garden shed (thanks to the Lions) and raised beds are being installed (thanks to Walford Timber). The trolley has been reinstated with goods for patients to buy.

## New Patio Doors Help Church Groups Grow

New patio doors at the Community Church in Ross-on-Wye are helping children's and youth groups thrive. Installed with support from the Ross Rotary Group, the doors have made the building more welcoming, accessible and practical for family activities.

Over the past year, the church has seen a rise in families attending events and weekly groups. Hoglets, a stay-and-play group for babies to four-year-olds, has been running for nearly a year and continues to support parents through the early years. The improved space has also helped the church host larger events, including its annual Easter Fun Day, taking place this year on Saturday 4 April, with activities for all ages. At a challenging time for many families, the Church remains a place of support, connection and encouragement, going from strength to strength as its groups continue to grow.

## Taurus Healthcare/NHS Weekly Wellbeing Walk

Come and join our Taurus Healthcare and Ramblers Ross-on-Wye Wellbeing Walk for some local movement and chit-chat! We walk every Monday at 11:00am following an easy 2.2km walk along the River Wye, past The Hope and Anchor, before looping around a neighbouring park and heading back to our starting point.

We meet at the first layby on the right following the Wilton Bridge. The route is flat, following either netted or concrete paths, however there are some areas of uneven ground, with 8 steps starting the walk. This can be avoided where needed! The walk takes between 30-45 minutes, depending on the pace of the group. **Contact:** [alice.james@taurushealthcare.co.uk](mailto:alice.james@taurushealthcare.co.uk)

## Ross Namutumba Link Continues to Help Namutumba Farmers

Thanks to a further twinning grant from Ross Town Council, the Ross Namutumba Link Organisation has been able to continue to assist Namutumba district pig farmers construct pens on individual farms.

The pigs provide an invaluable regular money supply to the family farmers enabling them to feed, clothe, refurbish homes and send their children to school. The children are also being trained how to care for the pigs.

Meanwhile, local links with John Kyrle HS have helped build a two storey classroom extension at a local primary school.

The school continues to send books to Kisiki College, their link school and is advertising an adult group visit at Easter 2027. So, if readers would like to see what has been done to improve the lot of a very poor area in Uganda over its forty year link, please contact Mr. Nick Wardale at the school.
