Community at the Heart of HCR Law's Wye Valley Office Charity Support

HCR Law is a leading UK law firm providing legal guidance to individuals, businesses and organisations across a wide range of sectors. As part of its commitment to supporting local communities, the Wye Valley office has chosen Ross Community Development Trust as its charity partner for 2026/27.

Throughout the year, colleagues have supported the Trust through volunteering and fundraising. The team has taken part in tree planting with the Ross Nature Delivery Group, helping to restore hedgerows and woodland areas for the benefit of local wildlife and the wider community, with further planting planned for autumn.

Colleagues have also helped with local newsletter deliveries and raised funds through an Easter charity quiz, with a festive quiz planned for December. Internal initiatives, including payroll giving, a tuck shop and a 'Blind Date with a Book' fundraiser, have also contributed to the office's support. By supporting Ross Community Development Trust, HCR Law Wye Valley is helping to make a positive difference in Ross-on-Wye.

Memorial Tree Provides a Special Place to Remember Loved Ones

Ross-on-Wye Town Council is pleased to announce that a new memorial tree has now been installed at Ross-on-Wye Town Cemetery, providing families with a lasting and meaningful way to remember loved ones. The Mulberry Tree is located on the roundabout at the Town Cemetery on Walford Avenue and comes with 240 blank, heart-shaped leaves, each of which can be personalised with a loved one's name, dates and a simple design. Once inscribed, the personalised leaf replaces one of the original blank leaves, becoming a lasting tribute on the tree.

The Memorial Tree project was sponsored by Nigel Cave and Son Memorial Stone Masons and Niki Mills Independent Funeral Directors. Anyone wishing to dedicate a leaf in memory of a loved one can request an application form by emailing: admin@rosstc-herefordshire.gov.uk.

One of the team, Clare Hunter, at Ross Library with the Digital Café

Ross Digital Café

Free and friendly one-to-one help with using online services is available every Tuesday morning (10am-12pm) at Ross library. Volunteers from Age UK Wyvern offer a regular drop-in session for people wanting to use the internet on their phone, tablet or laptop.

Caroline Savage runs the service and is encouraging any older person in the Ross area to give it a go: "The sessions provide one-to-one support for anyone wanting advice about using the internet. We know that many people are put off using IT because they are frightened by stories they hear about ID theft and scams or are simply embarrassed because they don't know what to do. We'd really like to reassure people that we are happy to help with any problem, no matter how small. No question is seen as silly".

Ross Linear Arboretum Trees Labelled

We have been lucky enough to have the services of Keith Westwood to label all the trees in the linear arboretum around the River Wye. The labels have been made individually with the common name of the tree, Latin name and country of origin. We are very grateful to Keith for his donation of materials, time and skill. It was a huge undertaking with over 100 trees labelled. Keith was thanked by tree warden, Rob Taylor.

Ross Namutumba Twinning Group Beehive Repair Project

Our main project in Namutumba, Uganda, this period, as you will have seen in previous newsletters, is the community piggery but we use funds set aside for emergencies to help all our projects. One such is the bee project whose hives were destroyed by storm damage. These are now repaired. The bee project harvests honey which is sold in local markets and provides funds for helping disabled people in Namutumba, our twin town Joel Mubi, the co-ordinator, is also thinking long-term by planting eucalyptus trees so that he can continue with his own local projects.

New Meeting Room at Weston under Penyard Village Hall

Created through a successful partnership between the Parish Council, the Village Hall and Mike Etheridge Construction, and funded using Section 106 money, Weston under Penyard Village Hall's brand-new meeting room is now ready for use. This room offers table seating for up to 14 people or theatre-style seating for up to 16. It is self-contained and separate from the main hall, so different events can run at the same time without disturbing one another. Facilities include a private kitchenette, accessible toilet, Wi-Fi and a large screen for computer connection.

Meeting room set with table seating layout

The meeting room can be booked through the Village Hall website: <https://wupvillagehall.org.uk/> at £10 per hour for community organisations and £13 per hour for other users. For more information, visit the website or contact the hall custodian on 07584 088915.

Ross Town Band

We will be at both the Christmas Market in November and the Christmas Carnival in December. We will also be bringing festive cheer outside Morrisons on 19th and 23rd December and playing

round the town in the build-up to the festivities. Please come and say hello and support your community band.

Ross Training Band at Rising Stars event at the Scarr Bandstand in June. An enjoyable day but with mixed emotions as they said farewell to Deb Blake, their leader.

The highlight of our Christmas calendar is our FREE community concert at the Larruperz Centre on Sunday 13th December at 3.00pm. Both the main and training bands will be playing, and we would like to thank Ross Town Council for their support with this event.

We hope to see old friends, and new, over the festive season. A little early, but the band would like to wish you all a very Happy Christmas and peaceful New Year. Remember if you'd like to come and join the band, please do get in touch: rosstownband@gmail.com

Ross Penyard Singers Change Their Name

Ross Penyard Singers have changed their name to The **Ross-on-Wye Singers** in order to better reflect their activities as a community choir in the heart of Ross-on-Wye. Some of their members recently gave a concert at Ross Court Care Home.

More Info: <https://www.rosspenyardsingers.org.uk/>
chairman@rosspenyardsingers.org.uk

Ross-Betzdorf Twinning Visit Strengthens International Friendships

A group of around 25 members of the Twinning Association travelled from Ross-on-Wye to Betzdorf in May, where they were welcomed by host families and friends.

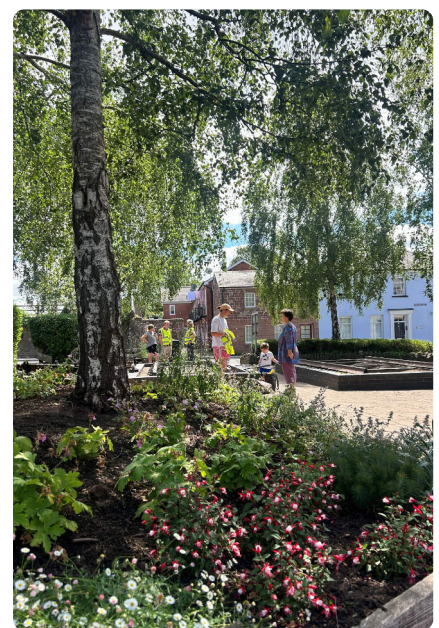

During the week-long trip, members enjoyed a programme of cultural visits and social activities including a Civic Reception at Betzdorf Town Hall, where they were warmly welcomed by Bürgermeister Johannes Behner. In reply, Ross Town Councillor, Chris Bartrum, gave a speech on behalf of the Mayor of Ross-on-Wye, Councillor Sarah Freer, highlighting the importance of maintaining links between communities across Europe.

Like many voluntary organisations, membership numbers have gradually declined over recent years, while the cost of travel has increased substantially. Speaking at the Association's Annual General Meeting, the Chair, Dr Lynn O'Driscoll, said that the organisation would need to think creatively about its future if the partnership is to continue thriving. For more information about membership, please contact 07977 249442 lynn@calibreproductions.co.uk

Ross in Bloom

Following the revival of the Ross in Bloom volunteers group, the team has been busy working together to transform the Railway Garden at Fiveways into a welcoming and colourful community space. As their first project, Ross in Bloom entered the RHS It's Your Neighbourhood initiative, with judging taking place on Thursday 9th July. RHS judge, Janet Gwinnet, visited the Railway Garden where volunteers and representatives from local businesses joined the judging and had the opportunity to talk about the project and the work that has gone into improving the area.

The group is already looking ahead and will be entering Britain in Bloom 2027. Ross in Bloom is always looking for new volunteers, community groups, businesses and organisations to get involved and help make Ross-on-Wye bloom. If you would like to get involved, please contact: community@rosstc-herefordshire.gov.uk

Bulb and Tree Planting in Ross

Ross Nature Recovery Group is in its second year. The volunteers have had a long summer of watering the trees planted last winter. We start again this autumn planting bulbs. This November, we are looking forward to the arrival of a gift to the town of 30 ornamental cherry trees. This gift is from Japanese businesses who have donated trees to be planted throughout the UK. If you would like to help please do contact Rob Taylor: robtaylor3456@gmail.com

Ross Walking Festival 2026

The 2026 Ross Walking Festival, held on the last weekend of September, was a great success, with nearly 500 bookings for the 3 days of guided walks.

The small team at Ross Walkers are Welcome (led by Martin Shepley and Harry Britten-Austin) planned, tested, prepared and marketed the 24-walk programme with experienced walk leaders drawn largely from Ross Ramblers and Ross Walking Group. Specialist naturalist and guide Ed Drewitt, from the Forest of Dean, led the bird-spotting safari that kicked off the festival and the Golden Valley Walking Club led a “walking adventure” in their part of the county.

One of the best things about the Walking Festival is the wonderful people who come along! The team is now starting to plan next year's walking festival. If anyone would like to join in and be a part of this event and/or other walking-related activities, please contact us via our website www.walkinginross.co.uk or email rosswalkingfestival@outlook.com

Herefordshire Meadows

On Wednesday 30th September, a group of Ross residents came together to sow a new wildflower meadow at Redwood Open Space. The project is being led by Herefordshire Meadows with funding from the National Lottery Community Fund and is supported by Herefordshire Council, Ross Town Council, Ross Nature Group and Ross Community Garden. It aims to bring nature closer to the residents of Ross, as well as supporting wild pollinators such as bumblebees and butterflies. Small urban meadows can have a massively positive impact in terms of boosting biodiversity, helping to improve air quality and cooling the local environment. Herefordshire Meadows plans to run a series of events at the site over the next two summers including plant ID days, bug counts, art sessions and scything workshops. To find out more, including how to make your own mini meadow, visit their website (<https://www.herefordshiremeadows.org.uk/mini-meadows-and-meadow-activities/>) or email info@herefordshiremeadows.org.uk

Citizens Advice - From Debt and Uncertainty to Stability

When a client with additional support needs came to Citizens Advice, they were struggling with rent arrears, gas arrears, and uncertainty about their Council Tax and benefits.

Following a full debt assessment, Citizens Advice worked alongside the client to clarify their finances, access specialist support, and put practical solutions in place. The results were life-changing. Full Council Tax Reduction was confirmed, meaning no Council Tax payments were due. A grant application was made to help with gas arrears, gas supply issues were resolved, and an affordable arrangement remained in place for rent arrears. Most importantly, the client gained confidence, greater financial stability, and a clearer path forward.

Contact Citizens Advice Herefordshire for advice: send a text to 0750 724 0905 with your details. For more ways to contact us: www.herefordshirecab.org.uk

Lord-Lieutenant of Herefordshire Visits Ross-on-Wye and Monmouth Sea Cadets

On Monday 28 September, Ross-on-Wye and Monmouth Sea Cadets were honoured to welcome His Majesty's Lord-Lieutenant of Herefordshire, Mr Edward Harley CBE, and his wife, Victoria, to the Unit.

During the visit, the Lord-Lieutenant met with cadets (including his own Lord Lieutenant's Cadet, LC Oliver) and adult volunteers, saw the Unit in action and learnt more about the wide range of activities, training and opportunities available to cadets. He also had the opportunity to celebrate the Unit's recent successes and present a number of well-deserved awards.

Commanding Officer, Ross, Lloyd Bennett, said: "It was an honour to welcome His Majesty's Lord-Lieutenant to the Unit and for him to spend time with our cadets and volunteers. It was a very special occasion for everyone."

Lord Lieutenant with Lord Lieutenant's Cadet, LC Oliver

Heatwaves to Harvests: Another Successful Year at Tudorville Allotments

Keith's scarecrow on Plot 18

Tudorville Allotments are celebrating a year of impressive harvests, new friendships and adapting to a changing climate.

Heatwaves brought challenges, prompting many to improve water storage and install irrigation systems so crops thrived during dry spells. The heat also created new opportunities, with members successfully growing tomatoes, peppers, chillies, aubergines and even watermelons outdoors.

Some traditional crops, including runner beans and sweetcorn, struggled in the dry weather, courgettes, squash and pumpkins enjoyed bumper harvests. One plot became a stunning sea of sunflowers after seeds from the previous year spread naturally across the site.

Beyond the produce, our community continues to flourish. We have welcomed several new members, including families discovering the joys of growing their own food.

There is currently a short waiting list for plots. If you are interested in an allotment, you can learn more and apply at www.rossallotments.com/apply

Ross Community Garden

Ross Community Garden is a beautiful three-acre community space tucked away just off Old Gloucester Road, behind Ross Hospital. We welcome local schools every Tuesday and run therapeutic gardening sessions for adults on Wednesday, Thursday and Friday mornings. Families can also join us for our Tuesday after-school drop-in sessions. Our popular Zero Waste Stall helps reduce food waste by distributing surplus food six days a week, and our pre-loved School Uniform Stand supports local families throughout the year. In addition, we host seasonal events and regularly welcome local community groups and charities to enjoy and use the garden. Whether you're interested in gardening, volunteering, learning or simply spending time outdoors, there's something for everyone at Ross Community Garden. To find out more about our activities and events, or to enquire about volunteering with us, please contact Helen Saunders: helen.saunders@haygrove.co.uk

Ross-On-Wye Scout Group

Since attending the Ross Carnival during the summer break, this term our Scouts have joined the County hillwalking event in Eryri, our Cubs have visited St Mary's Church and our Beavers have been apple pressing, with much more to come. We helped with this year's Poppy Appeal in October and will be attending the Remembrance parade in November, ending the year with our Carol Service at St Mary's Church in December.

Ross Scout Group now offers Scouting from ages 6-14 with Beavers, Cubs and Scouts currently active and Explorers (ages 14-18) starting soon. We are always looking for volunteers to help the Scout Group grow, whether as a regular, uniformed leader, an occasional helper or as a trustee supporting the Group behind the scenes. For more information about volunteering as an adult helper, please email: heretohelp@scoutshw.org.uk

Midlands Air Ambulance Charity

Our Charity Shop is looking for friendly volunteers to join its team. Volunteering helps support a life-saving cause while boosting your confidence, retail skills, and CV with fresh references. The role offers full flexibility around your lifestyle, with training, a uniform, and agreed travel expenses provided. If you are interested, pop into the shop, call Alison Hill at 07785 623379, or email alison.hill@midlandsairambulance.com.

Tudorville and District Community Centre

The Centre is a successful volunteer-run charity, providing a well-equipped hall and meeting room for hire.

We are looking to recruit two new people to the management committee. There are four meetings a year which take place in the evening. No particular skills needed other than a positive attitude (although DIY skills to help with minor maintenance are always welcome).

If you would like to discuss joining this successful local charity in more detail, please do drop us a line in the first instance at tdcc@live.co.uk

Girlguiding

1st Ross Rangers

Volunteers are always welcome in Girlguiding, giving girls a safe space to have fun and new experiences with their peers. It could be at weekly meetings, help with organising admin, knowledge of accounting.

Also if you have knowledge of a specialist activity and would like to share it with the girls - please get in touch. www.girlguiding.org.uk/get-involved1strossrangers@gmail.com

Walford Community Support Scheme

The Walford Community Support Scheme is actively recruiting volunteers and growing its membership to help deliver essential social and emotional support to the local area.

Volunteers are primarily needed to help host occasional coffee mornings and the monthly **Lunch Club** at Bishopswood Village Hall. We are also currently looking at setting up a help and advice line for family members who are struggling with the transition of their loved ones requiring care for the first time

If you would like to volunteer your time and support your community, please contact **Rebecca Perdell** on **07771 795565** or email rperdell@hotmail.com.

Citizens Advice Herefordshire

Our volunteers help people find a way forward by providing free, confidential and independent advice and support. Whether you're interested in helping clients directly, supporting customer services or administration, there's a role to suit a range of interests and experiences. We provide full training, ongoing support, and reimbursement of reasonable travel expenses. For more information visit our website: www.herefordshirecab.org.uk/get-involved-volunteer-with-us or call **Steph on 01432 377583**.
